VEGETABLE SEEDS

As the uncertain economic conditions continue, we are all faced with many varied and perplexing problems. We are endeavoring to cooperate with our customers by keeping prices as low as possible; however, we want to assure you that we are carefully guarding and rigidly maintaining our long established reputation for high grade, dependable quality Seeds of high germination, coming from reliable growers and producing profitable results in this locality, which are so vitally important in the purchase of your requirements. We operate our own seed tester to assure high germination.

◀ NOTE OUR ATTRACTIVE  
LOW PRICES FOR 1934 ▶

WE PAY POSTAGE OR FREIGHT at prices given herein to any freight station or post office, our option, in Pennsylvania, New Jersey, Delaware, Maryland and New York when remittance is enclosed with order.

Most of the failures of Seeds, Plants and Bulbs are due to various causes entirely beyond our control, such as unfavorable weather or soil conditions, too deep or too shallow planting, fertilizing, cultivation, etc., which renders it impossible for us to guarantee successful results; and all our Seeds are sold with the understanding that, if purchaser does not accept Seeds on these terms, they shall be returned to us within five days, and amount paid will be refunded.

DISCLAIMER—F. P. Cassel's Son gives no warranty, express or implied, as to the description, quality, productiveness or any other matter of any Seeds, Bulbs, Roots or Plants he sells and will not be responsible for the crop.

TERMS: Our terms are strictly cash. All prices are subject to change, unsold and confirmation. We reserve the right to limit quantities when for any reason this is necessary.
